There will be Portsmouth target faces for anyone who would like to shoot that round instead.

Actual indoor shooting time is around 2 hours

Outdoor Frostbite is around 1 hour

All members are welcome to come to any shoot, even if they are unable to shoot for the full period, although care should be taken not to disturb archers on the shooting line (i.e. arrive after sighters or leave before end of shoot)

Please note the above shoots are subject to change depending on West Park School Sports Hall availability due to half term and exams.

All league shoots work the same as any other shoot. Any special conditions are applied and submitted by the Records Officer. Email any score sheets away from Club to Anthony Perry
